

Stand your ground.

Stand your ground. The weapons of your warfare are not carnal but mighty through Me. Your faith muscles have been burning because you have had to learn to step out more into the unknown and trust Me. There will be much fruit if you carry on in faith and stand on the Word, your Anchor in the midst of turmoil.

The people who know their God will do mighty exploits. Be a watchman over all areas of your life. Above all, guard your heart for out of it springs the issues of life. Re-evaluate, re-prioritize, you will be able to do this by the Holy Spirit that works in you to will and to do for My good pleasure. Work out your own salvation with fear and trembling, in reverence and love for Me. Commit your way unto me and I will make the crooked places straight. Nothing is impossible for Me. Make sure that you are rooted in Me, that you come to Me for strength, and you will not fall, you will not be caught off-guard. My thoughts for you are of peace and not of evil, to give you a future and a hope. Come with Me, heed My voice and walk around the failings of the past, put on fresh clothes for the journey. Shake off the restraints of time and experience, the only reality is My heart. Know My heartbeat.
